

Mountain Shadows Community Association

Newsletter

The Mountain Shadows Community Association (MSCA) wishes you a Happy New Year. The past 18 months have been historical in our neighborhood from the devastation of the Waldo Canyon Fire to the restoration of the neighborhood where today nearly 200 homes have already been rebuilt. Mountain Shadows has re-established itself as a premier neighborhood in Colorado Springs with award winning neighborhood schools, fine parks and trail system, and a community of neighbors who have come together enhancing the quality of life. MSCA works on your behalf to insure Mountain Shadows continues to be a vibrant neighborhood.

If you are not already a voting member of MSCA, please consider contributing \$25 towards annual dues. Dues can be sent to MSCA, PO Box 49072, Colorado Springs, CO 80949. We also are always in need of volunteers to help us with events and administrative duties. If you are interested, please contact any of the Board Members listed below.

From the President

As you know, Mountain Shadows Community Association is an affiliated neighborhood group working hard to enhance the quality of life within our neighborhood. The past 18 months we worked closely with Colorado Springs Together and several of the neighborhood HOA's to rebuild and restore our environment after the Waldo Canyon Fire. We have seen great success in the rebuild and will continue to support those efforts while we really focus on building a stronger community. We will communicate, collaborate and coordinate with you through meaningful/informative eBlasts & Facebook posts, maintaining & enhancing key relationships throughout the city, and planning exciting events which bring us together. To be successful we need your ideas, help and \$25 annual contribution. These are exciting times for Mountain Shadows.

Eddie Hurt
